Funding Still Needed

**~ \$18,965.00 ~ for
May 27th & 28th:**

With only three weeks remaining before 6,000 children fill Sherwood Hall in Salinas for the Annual Monterey Symphony Youth Concerts, we still need your support. To date we have had great success with several of our funding drives for this "sell-out" event. There is absolutely no charge to the children or schools attending. The total price tag for this event is **\$60,000 or \$10 per child** attending. Here is where we stand in reaching our

Viola Section with Max Bragado April 2010

The program for the April concerts of The Monterey Symphony was one of the most interesting, unusual and satisfying that I have heard or performed. An orchestral concert without the violin sections is certainly new and different. Our wonderful viola section carried the weight beautifully, and the winds and other lower strings were also splendid. Bravo to the chorus as well and many thanks for their hard work. Now we look ahead to the exciting season finale that will feature our orchestra in full force and one of the greatest pianists of all time, Gary Graffman. France and Spain will contribute their most famous composers, Ravel, Rodrigo and Turina, and the ending work, "Bolero" will surely entertain and delight our audiences to the maximum. Come to Sherwood Hall on Saturday night to hear members of Youth Music Monterey's Honors Orchestra play with us! All the best, *Max Bragado-Darman.*
